Introduction

We have reviewed the accompanying consolidated condensed interim statement of financial position of Reef Real Estate Finance B.S.C. (c) (“the Company”) and its subsidiaries (“the Group”) as at 30 June 2016, the consolidated condensed interim statement of income, the consolidated condensed interim statement of changes in Owners’ equity, the consolidated condensed interim statement of cash flows for the quarter and the six months then ended, and selected explanatory notes. The Company’s Board of Directors is responsible for the preparation and presentation of this consolidated condensed interim financial information in accordance with Financial Accounting Standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions and the Sharia’a Rules and Principles as determined by the Sharia’a Supervisory Advisor of the Company. Our responsibility is to express a conclusion on this consolidated condensed interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410- “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of consolidated condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated condensed interim financial information does not present fairly, in all material respects, the financial position of the Group as at 30 June 2016, and of its financial performance and its cash flows for the quarter and the six months then ended in accordance with Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions and the Sharia’a Rules and Principles as determined by the Sharia’a Supervisory Advisor of the Company.
